

Traralgon Amateur Basketball Association is seeking experienced and motivated coaches and assistant coaches for the 2022/2023 Junior Squad Representative season.

The Junior Squad Program has established standards and values that are designed to achieve its vision of developing a successful, caring and dedicated culture based program that will educate athletes and enable skilled, accredited and respected coaches to teach and deliver athlete improvement and team excellence.

As we strive for professionalism and excellence, we pursue people of high character that are willing to invest in all aspects of the Traralgon Way. Successful applicants will be vital in developing tenacious players who execute the fundamental skill of basketball, unselfishly assist their team and are mindful of being composed, coachable and good sports during their junior basketball pathway, whilst also enabling coaches to further advance their own vocations in the established coach's pathway.

Applicants should possess (or be in the process of attaining) a Club Coach Accreditation.
